All vacated spots will be filled by Sports Camp personnel; parents may not find replacements for vacated spots. Refunds are subject to a \$50.00 administration fee and a social security number will be required. **RESERVE YOUR SPACE NOW!**

Enrollment is limited to only 115 children per session, so register early!

Enrollment is on a first-come, first-serve basis. Early enrollment allows us to determine how many instructors are needed to maintain a low student/teacher ratio.

Your children will get appropriate developmental instruction in a variety of movement and sport related activities. They'll have a FUN, ACTIVE SUMMER! The success of this program is directly related to the high quality of instructors who are mostly Physical Education graduate students with excellent sports and physical activity experience. They are chosen primarily for their interest and ability in working with children. Because instructors are hired based upon enrollment, reimbursement for days missed or early withdrawal has been discontinued.

PLEASE NOTE: Montana State University does not provide accident insurance for participants. It is strongly recommended that parents/guardians provide accident coverage for their children enrolled in the program.

**All children and NEW parents are to report on the
first day of each session for a short orientation at 1:00 PM.**
